

Our Vision

Growing together,
Every day,
In every way.

Our Aims

Growing together

At High Meadow Infant School we are a family where everyone is safe and valued. We all work together to grow and be the best we can possibly be.

Every day

We encourage and support everyone to come to school every day so we can enjoy learning and celebrating together.

In every way

The High Meadow community learn in different ways so our exciting curriculum and training ensures that everyone is inspired to be a lifelong learner.
