Anti-Bullying Policy

We believe this policy relates to the following legislation:

Children Act 1989, School Standards and Framework Act 1998, Education Act 2002, Education and Inspections Act 2006, Equality Act 2010 and the Education Act 2011.

The following documentation is also related to this policy:

Cyberbullying: Supporting School Staff (DCSF)

No Place for Bullying (Ofsted 2012)

Preventing and Tackling Bullying - Advice for School Leaders, Staff and Governing Bodies (DfE)

Safe from Bullying: Guidance for Local Authorities and Other Strategic Leaders on Reducing Bullying in the Community (DCSF)

We acknowledge the School Standards and Framework Act 1998 that clearly states that all maintained schools must have in place an Anti-Bullying Policy that outlines procedures in order to prevent bullying among pupils.

We have a duty of care to protect pupils from bullying as part of our responsibility to provide a safe, secure, caring and friendly school environment for all the children in order to protect them from those who wish to deliberately hurt them either physically or emotionally. We believe all our safeguarding procedures are in line with Sections 3(5) and 87(1) of the Children Act 1989 and Section 157 of the Education Act 2002 and that we promote the welfare of all children in our care.

'There are many definitions of bullying, but most consider it to be:

- ***deliberately hurtful (including aggression);***
- ***repeated often over a period of time, while recognising that even a one-off incident can leave a learner traumatised and nervous of future recurrence;***
- ***difficult for victims to defend themselves against.***

**Growing together,**

**Every day,**

**In every way.**

We believe bullying takes many forms such as physical, verbal, social exclusion and the misuse of mobile phones and Internet social networking websites. It is our duty to look out for all signs of bullying and to take the appropriate action to stop it. We will deal with all incidents of alleged bullying.

We believe it is our moral and legal duty to protect transgender pupils and school personnel from all forms of transphobic bullying and to educate all pupils about the important role that transgender people play in society. All forms of homophobic and transphobic bullying must be challenged, dealt with and recorded.

We believe by creating a safe, secure and caring school environment we will encourage all pupils and staff to report any incident of bullying to a member of the school personnel.

Under no circumstances will we tolerate any form of bullying and all incidents of bullying will be dealt with promptly and effectively as we wish to promote the wellbeing of all pupils and staff. As a school community we also have a commitment to promote equality.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
